EXAMINER'S AMENDMENT

Election/Restrictions

1. Applicant's election with traverse of Species I in the reply filed on June 17, 2004 is acknowledged. The traversal is on the ground(s) that since a different field of search is not required, there is no serious burden as required by MPEP 803. This is not found persuasive because under MPEP 809 and 809.02 (a) there is no requirement to prove there is a serious burden on the examiner to examine the species.

The requirement is still deemed proper and is therefore made FINAL.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicant's attorney Mr. Farrell on September 13, 2004.

The application has been amended as follows: Claims 7-18 was cancelled in order to place the application in condition for allowance.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jila M Mohandesi whose telephone number is (703) 305-7015. The examiner can normally be reached on Monday-Friday 7:30-4:00 (EST).
